### **House Approves Rep. Urban Initiative to Name Local Roadway for Veterans**

HARTFORD-On Wednesday, May 31, the House of Representatives approved legislation containing provisions introduced by State Representative Diana Urban, R-North Stonington, that would name Route 78 in Stonington from Route 2 running east to the Connecticut-Rhode Island state line as "Veterans Way." House Bill

6720, An Act Concerning The Department Of Transportation, now goes to the State Senate for consideration.

“When one considers all the sacrifices Veterans have made to protect our freedoms and democracy, naming this roadway in their honor is a small but fitting tribute,” said Rep. Urban “Rhode Island has already named their section of the highway for Veterans and I’m grateful to the chairman of the Legislature’s Transportation Committee, Senator Ciotto, for working with me to see this initiative included in the bill.”
